Summer Dates (Mark Your Google Calendars)

Last Walk I advertised a Mission Trip reveal for this Sunday. I apologize, but I need to postpone that a bit. Covid complications, travel restrictions, and some mission sites completely shutting down have led to quite a few opportunities falling flat. I'm in the works with a site now, and will call a Parent Meeting to announce as soon as I can 😊

HOWEVER...I know y'all are trying to plan summer vacays...so here are our dates:

High School Mission Trip: June 20-26/27

Camp: July 5-9

Third Trip (Summit replacement): July 18-23
(Give or take a day on these trips, but you can mark your calendars!)

Out of Town

Ethan and Bri will be out of town from December 6th-12th on a family vacation. I've got your classes covered with incredible subs. We are grateful for student and parent volunteers who step in while we are out and run this program. You rock!
